

DOG VOMIT GRAVY

1. Mix 2 pts red-wine vinegar to 1 pt Dale's Steak Sauce + Juice of $\frac{1}{2}$ Lemon.
2. Cayene Pepper to taste.
3. Haggle Rib-Eye Steak into pieces, and Marinate for 30 minutes.
4. Sizzle meat for 10 minutes, then take out the meat and place it on a paper plate.
5. Take remaining juice, and add:
 - (a) $\frac{1}{2}$ cup of milk. Stir briskly.
 - (b) $\frac{1}{8}$ cup of Quaker Quick Grits.
 - (c) 1 egg.

Stir these briskly to avoid an omelett that tastes like Dale's Steak Sauce.

6. Keep stirring 'til it looks like the consistency of dog vomit.
7. Serve, with biscuits & cheese.
